About Nadia Hall

PORTRAIT AND SPORT DOG PHOTOGRAPHER

Hi! I'm Nadia, and dogs are my passion. I have three of my own that I compete in various dog sports with. Three year ago. I opened my dog photography business so that other pet parents could share the same joy I had when I was able to capture amazing images of my own dogs. I photograph dog sport events and portrait sessions across the country.

Tails of Teamwork is inspired by my imperfect, and admittedly difficult, rescue dog Kona, whose bond with me grew exponentially when we started playing disc together. I can't wait to tell other stories of dog and handler teams in the book.

About Barking Dog Images

Barking Dog Images is a dog sport and portrait photography business in Delafield, Wisconsin, offering luxury portrait sessions for pets and the families that love them outdoors in nature or indoors in the studio. After the session, Nadia helps to create incredible artwork for your walls or coffee table.

“

Nadia has photographed my beloved pets through truly all life stages: from wrangling a wiggly, wild eight-week-old puppy, to ensuring my senior dog's utmost comfort and happiness during a "sunset" session. She helps both human and animal to feel at ease and have an enjoyable experience during the shoot, only to be surpassed by the absolute delight in seeing your finished photos and receiving the gorgeous artwork following your session.”

Local Pet Photographer to Begin Fundraising Book Project About Teamwork Between Competition Dogs and Their Owners

DELAFIELD, WI - "Tails of Teamwork: Stories about Sport Dogs and Their People" by Nadia Hall of Barking Dog Images is a collector's edition coffee table photography book featuring dog and handler pairs who participate in dog sports, such as agility, obedience, and dock diving. The book will tell their stories about how training and competing in their dog sport has enhanced the bond between them and their dog using photography.

Tails of Teamwork is a year-long fundraising project with \$50 of each \$99 registration fee being donated to incredibly important agility dog mechanics and injury research being conducted at Ohio State University. Registration will open on May 1st, close on May 15th, and photography sessions will take place from May to November, 2023 in Wisconsin and surrounding states. Nadia hopes that participants from all over the country can participate. The book will be printed and distributed in 2024.

Tails of Teamwork is part of a larger collective called Tails of the World (<https://www.tailsoftheworld.com>), which only a select number of pet photographers are able to participate in.
